

## Understanding U.S National Airspace System (NAS)

Midstate Aviation Chief Instructor Andy McIrvine will be discussing the National Airspace System and the knowledge that pilots must have to safely operate within the NAS.

**Directions:** Take I-90 to Ellensburg, exit 106. Head east on University Way until Reecer Creek Road. Turn left on Reecer Creek Road. Drive 3 miles north to Bowers Road. Turn right on Bowers Road and drive 3.5 miles to Midstate Aviation.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!

The FAA Safety Team (FAASafety Team) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
